Alumni Fund

Greg Beall reported the Restricted Alumni Fund paper work is in place. The fund is set up and ready to receive donations.

Greg Beall is to contact Troy Clary regarding the final draft of the Alumni Fund Mailing. It was determined that February 2, 2006 meeting attendees would review the final draft for the Alumni Fund Mailing. We need final comments reviewed on February 15, 2006.

Bronco Online Community-Construction Management Chapter

Donna Conner of the Alumni Center accessed the Bronco Online Community Website.

Everyone in attendance reviewed how to access Bronco Online Community Website; we used Josh Legg's log in information. There was difficulty in accessing very many alumni names.

Tim reported that there were quite a few search words that were required to get to the Alumni listing.

Post meeting note: when you go to the search directory try using "construction" as search criteria.

10th Annual Construction Management Golf Tournament

Jeff Tonkin and Travis Shelton are doing a great job getting the Golf Tournament organized, the following was discussed and decided upon:

- Shadow Valley will be the golf course
- Date is Friday, April 21, 2006
- Shotgun start at 8:00am
- Student at Cost, \$60

- Green Fees \$125 for single, \$400/group of 4
- Catered Buffet (Look outside Shadow Valley Golf course, may be cheaper)
- Look at using as many existing signs as possible
- BSU CM Chapter to supply Jeff with last years hole sponsors
- BSU Student and Alumni to work together on task for the Tournament
- Analyze prizes to be given out, consensus that last year too much was given
- Greater advertising is required

Marv's Retirement Party April 28, 2006 in the Stone House

Misc.

Greg reported the bookstore option is out to raise funds for the chapter, would have to pay for product then resale at 20%, we do not have the fund to purchase bookstore items.

Marv brought forth the idea of selling commemorative hard hats to alumni.
