Boise State Construction Management Golf Tournament:

Shadow Valley Golf Course

Friday, April 27, 2007 starting at 9:00am

It was discussed and approved that each group of 4 golfers should have 1 student. This would be at total of 36 students golfing. Josh Martin to initiate a sign up sheet to garner student interest.

As discussed student and business golfer interaction is the tournament's most important function. Many business golfers want to get to know students to fill full or intern positions.
