A Big Thank You to our lunch sponsor:

Their was no lunch sponsor for February, however if you would like to sponsor a lunch meeting than please contact Josh Legg.

I. 2008 Golf Tournament

Mike said that the golf tournament website was going to be ready for release on February 22 for May 2 for the golf date. Paul stated that the AGC was having their annual golf tournament the same day. Mike then said that he would talk with Shadow Valley and set a new date. The group voted to allow Mike to change the date of the golf tournament to fit the best-fit schedule.

II. 2008 Spring Social

The group voted on a \$2000.00 budget for the spring social event. Greg will work with Mike to change the date and possibly the location once the new golf tournament date has been selected. Greg will work on creating a budget for food and alcohol.

III. Alumni Association

Jennifer gave a brief update from the Alumni Association. She informed the group that the Alumni Association just revealed the Bronco Advocacy Network program. She said that if anyone was interested that they could sign up for this. She also stated that they would send out the golf tournament flyers to the alumni as one of two mailers from the Alumni Association.

IV. Concrete Tools

Mike Sis gave us an update on the concrete tools we helped gather for the Peace Corps. Shipping is still an issue and Jennifer Lanzetti is still working on shipping issues. Mike stated that Jennifer would like to see some alumni when they ship the tools because they will have the media on site and would like to see representation from our group

V. Website Update

Michael Rock and Mark Smith gave an update on our website. Some of the changes that we would see are a calendar of events, a job board, and a new section for any alumni news or student news. They also revealed the add space on the right side of the website could help our cost if we wanted to charge companies for add space. We would also a link to the company's website so they would have a link on there. They could also post job

announcements there if they choose too. The add space would run \$25.00 per month. Please contact Mark Smith for more information.

VI. AGC Brick

Josh presented an option for our chapter to purchase a brick from the AGC for their new building. Josh did not have a date on when it was too late to purchase the brick so Paul Saucerman said that he would contact the AGC and find out more information.

VII. CM Program Update

Josh gave a brief update for the CM program for Rebecca. Josh stated that there will be 19 students taking the AIC Exam this spring with 20 students graduation in May. They had three teams place 3rd at the Reno Competition; Heavy Civil, Residential, and LEED (Congratulation to all three teams). Last but not least, that Charlie Gains would be leaving the program at spring to start a new CM program at Mesa State College in Grand Junction Colorado.

Next CM Alumni Meeting: Wednesday, March 19, 2008 (Third Wednesday of the month)

Location: Chicago Connection Pizza on Eagle, just south of Overland Road Lunch is provided.

Time: 12:00 p.m. - 1:00 p.m. (noon)

Who: All Construction Management Alumni are invited, BSU Alumni Representatives, CM Faculty, and/or CMA Student Officers. If any Construction Management Alumni's are in the area during the meeting time than you must stop in and join us for our meeting!!

Please check out our new website at www.bsucmalumni.com!! This website will be a great way to keep up to speed with what your local Construction Management Alumni Chapter is doing and for future announcements/activities.

Please contact Josh Legg if you have any question by phone or email.

Thank you,
CM Alumni Officers
